ANIMAL HOSPITAL

The question is not - Why is Wise Owl so Inexpensive?
The question is - Why are others very, very expensive?

Wise Owl gives your pet the highest quality care:

Unlike others we do not reuse needles, syringes, scalpels, suture & surgical drapes. We do not reuse surgical packs on more than one patient. We do not sell outdated drugs or dilute our drugs. SO WHY ARE THEY SO EXPENSIVE? WHAT ARE YOU PAYING FOR?

DEC - JAN - FEB SPECIAL

Give yourself and your pet the gift of good health

2nd Opinion consultation just \$1

You deserve a 2nd opinion for yourself, your pet/child. Find out why friends & family love our unique style of care. Bring your FULL medical record (& quote if appropriate). At Wise Owl we will gladly release your pet's record at no cost/hassle. It is your legal right to receive a full copy of all parts of your pet's medical record. Why are the other vets afraid to have us review your record? Why do they try and convince you not to seek our 2nd opinion?
